

Letter of Agreement and Request for Provisionally Accredited Levee (PAL) Designation and Agreement to Provide Adequate Compliance with the Code of Federal Regulations, Title 44, Section 65.10 (44 CFR 65.10)

We, the undersigned, have received the letter from FEMA dated July 21, 2009, and the enclosed document entitled "44 CFR Section 65.10: Mapping of Areas Protected by Levee Systems." We understand that FEMA is in the process of providing updated flood maps for City of New Haven and Franklin County, Missouri, and that the area behind the levee known as the New Haven Levee will be remapped to reflect that the levee has been designated as a PAL.

To the best of our knowledge, the New Haven Levee currently meets the requirements of 44 CFR 65.10. We hereby submit to FEMA, within 90 days (before October 20, 2009) our agreement to provide FEMA with all the necessary information to show that the New Haven Levee complies with 44 CFR 65.10. We understand that this documentation will be required before October 20, 2011. This information will allow FEMA to move forward with the flood mapping for Franklin County, Missouri. We fully understand that if complete documentation of compliance with 44 CFR 65.10 is not provided within the designated timeframe of 24 months, FEMA will initiate a revision to the Flood Insurance Rate Map to redesignate the area as floodprone.
